

Amp Your Insight with Equity Estimator

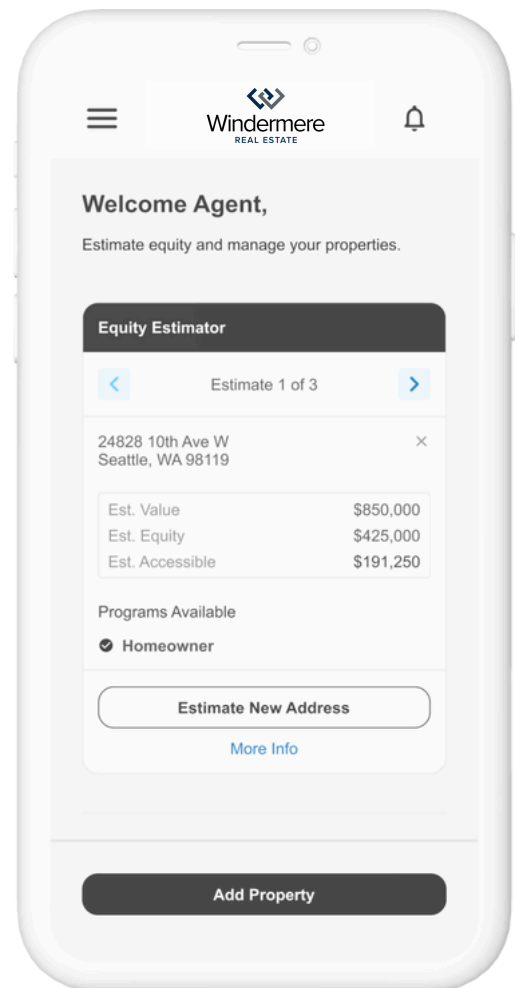

Your Seller's Equity at a Glance

Get insight into a seller's available home equity with our Equity Estimator tool. Use this tool for prospecting or to offer solutions at your next listing presentation.

How does the Equity Estimator work?

- 1 Look up any address
- 2 Our algorithms get to work and give you 3 numbers to consider:
 - ➔ Estimated Home Value
 - ➔ Estimated Home Equity
 - ➔ Estimated Accessible Funds

Equity Estimator provides potential home equity available to support borrowing, and is based on public record information. Loans are provided by third-party lenders. Neither Houseamp Inc nor any real estate agent is authorized to negotiate or offer loan terms, or to make any representation on behalf of lenders participating in the Houseamp platform.
