

Making Doing Business a Breeze

Become a HouseAmp Service Provider

What is HouseAmp?

HouseAmp is a platform that connects service providers to agents and homeowners in order to make home improvements during the listing process. We've partnered with HouseAmp to simplify the renovation process for our agents, homeowners and service providers alike.

Step 1

Create Your Account

It takes less than **60 seconds**

Step 2

Get Jobs

Manage projects directly with agents and homeowners.

Step 3

Get Paid

Approved invoices are **paid weekly**

“

"It's a great system. The process was easy, and payments for services were received within days."

—Paul, Owner of Josan Roofing

”

All payments are made via the HouseAmp platform and incur a 3.49% service fee.
